Illinois Jump\$tart - Empowering Youth Through Financial Education Since 2004

Dear Financial Education Advocate,

The Illinois Jump\$tart Coalition is seeking qualified and motivated individuals to join our Board. As an ILJC Director, you can help us to provide young people with the knowledge and skills they'll need to build secure and comfortable financial lives.

Our ambitious 2015 agenda has created immediate opportunities for people with experience in communication and outreach, social media coordination, project management, event planning and fundraising. Interested candidates may [click here](#) to access our secure online application.

Help us make a difference in the lives of Illinois kids!

Best regards,

Kenya VanOsten-Promin
